### Is this your first time here?

Hi! For full access to courses you'll need to take a minute to create a new account for yourself on this web site. Each of the individual courses may also have a one-time "enrolment key", which you can use during this sign up:

1. Fill out the New Account form with your details.
2. You will be prompted for an "enrolment key" - use the one that your teacher has given you. This will "enrol" you in the course.
3. Your account will be created and you will be logged in.
4. You can now access the full course for this session.
5. An email has also been immediately sent to your email address.
6. Read your email, and click on the web link it contains.
7. From now on you will only need to enter your personal username and password (in the form on this page) to log in and access any course you have enrolled in.
