 Login with your institution via Ulysseus

Is this your first time here?

Welcome to Ulysseus learning platform ! 

For full access to our courses:

- If you're a student in an institution part of Ulysseus (**internal**), just use the button on the right, you will be sent to your university login. Fill your institutional username and password as usual.
- If you're **external** to Ulysseus, you'll need to take a minute to create a new account for yourself on this web site. Each of the individual courses has a one-time "enrolment key", which you can use during this sign up and that can be found in course descriptions on **our website**:
 1. Fill out the New Account form with your details.
 2. You will be prompted for an "enrolment key" - use the one that your teacher has given you or that you found on the website. This will "enrol" you in the course.
 3. Your account will be created and you will be logged in.
 4. You can now access the full course for this session.
 5. An email has also been immediately sent to your email address.
 6. Read your email, and click on the web link it contains.
 7. From now on you will only need to enter your personal username and password (in the form on this page) to log in and access any course you have enrolled in.
